### *Chrysalis Flights*

*Ages 15-18*

*Chrysalis Flights call young people to receive the dynamic friendship God offers through Jesus Christ. It inspires youth to become the unique and beautiful expressions of God's image they were created to be. It calls them to grow together in the grace and love of Jesus.*

*The Flight is an opportunity to learn, pray, worship, celebrate communion, play games, and make new friends. It allows youth to unplug for 3 days and experience God's agape love and care -- a welcome respite from our world's chaos today.*

### *What Will the Experience Be Like?*

*Each person who attends a Flight has a somewhat different experience. While everyone hears the same talks and participates in the same activities, Chrysalis affects people in different ways. Some feel a strong desire to live into God's grace for the rest of their lives starting today, right now. For others it may plant a seed that continues growing in them as they think about what they've learned. Still others may leave the event feeling good about a new friendship made.*

### *What Will be Expected of Me?*

*Be yourself. Come with openness to the message. Remain open to others and to God. Be present for the entire seventy-two hours. Leave your world behind for three days.*

*Testimonies from youth participants:*

*I think the best way to sum up Chrysalis is this: Chrysalis is three days of catching a mere glimpse of God's love. During Chrysalis, love surrounds and fills you, and that is truly a remarkable and spiritual experience! -- Brandon in Tennessee*

*The Chrysalis Flight was a wonderful experience for me. It helped bridge the transition from my childlike faith to the vital and intense spiritual hunger I experience as an adult. I am truly thankful for the hope, encouragement, and guidance I received from other people on my flight. -- Noelle in Texas*

*Chrysalis provided me with information and wisdom that has been invaluable in my faith journey - what I learned has helped me through challenges and inspired and matured my walk with God. -- Rosa in Australia*
